

SCOOTER FORZA 2T

Modern fully synthetic 2-stroke engine oil for scooters

Description

MOTOREX SCOOTER FORZA 2T is a fully-synthetic engine oil for 2-stroke engines, specially designed for scooters. Points taken into special account during its development were the high demands placed on scooters in daily use, with frequent cold starts and high operating temperatures. Ideal for models with injection engines and catalytic converters.

Advantages

- Fully synthetic
- Low-smoke formula
- Reduces combustion residues
- Optimum resistance to high temperatures
- Ideal for injection engines
- Catalytic converter tested
- For pre-mix and separate lubrication
- Official JASO FD approval

Field of application

MOTOREX SCOOTER FORZA 2T has been developed for sports scooters for which the manufacturers recommend fully synthetic engine oil. Ideal for use in stop-and-go traffic. This oil can be used for pre-mix and separate lubrication (mixing ratios in accordance with manufacturer's recommendation).

Always follow the manufacturer's specifications.

Specifications
